

## **JMC Projects (India) Limited**

### **Corporate Social Responsibility**

The world is facing numerous challenges ranging from poverty, malnutrition, environmental degradation, poor healthcare and global warming. The social responsibility policy focuses on using the capabilities of business to improve lives and contribute to sustainable living, through contributions to communities and society at large. Corporate social responsibility in form of statue is reflection of ancient Indian virtue "law of giving". CSR initiatives are steps towards giving back something to society for sustainable economic growth and nation building.

JMC Projects (India) Limited (JMC) being a dominant player in the construction sector believes in giving back to the society and to honor social responsibility. Accordingly, the Company has framed a CSR Policy in consonance to Section 135 of the Companies Act 2013, Rules thereunder and applicable law relating to Corporate Social Responsibility.

Broad contours of the CSR Policy *inter alia* include:

- CSR Philosophy and Background
- Objectives
- Extent of CSR Activities and CSR Programmes
- Implementation and Carry out of CSR Programmes
- Resources
- Monitoring, Reporting and Disclosure
- Review and Amendments in the Policy

The objective of Company's CSR policy is to lay down guiding principles for proper functioning of CSR activities towards steps for sustainable development of the society.

While focusing on CSR Activities, the Company intends to prefer to undertake CSR Programmes in relation to following areas.

- Education Programmes
- Employability and Training Programme
- Social Infrastructure Programme
- Health and Medical Programme
- Environment Protection Programme
- Rural Development Programme

In order to monitor the CSR activities of the company and to comply with the requirements of the CSR policy, the Board has formed a CSR Committee which comprise of directors including independent director of the Company.

The Company's management recognizes that no pious purpose can be achieved without wholehearted human efforts. The Company encourages employees, their family members and well-wishers for their involvement as volunteers towards steps in achievement and carry out of CSR Programmes of JMC.

CSR Activities of JMC shall be carried out as per the CSR Policy. The Company will undertake the CSR Activities through one or more prescribed methods as may be suitable from time to time including identification of CSR Programme at Corporate and work centre level, CSR Programmes directly by the Company, CSR Programme through NGO, Joint efforts for CSR Programme.
