BUILDING INFRASTRUCTURE FOR BETTER LIFE

MERGER OF JMC PROJECTS (INDIA) LIMITED INTO KALPATARU POWER TRANSMISSION LIMITED

TO CREATE ONE OF INDIA'S LARGEST EPC COMPANIES IN THE AREAS OF POWER TRANSMISSION, BUILDINGS & FACTORIES, RAILWAYS, OIL & GAS, WATER AND HEAVY CIVIL

- *Transaction between Kalpataru Power Transmission Limited (KPTL) and JMC Projects (India) Limited (JMC) is an all-equity merger; Shareholders of JMC (other than KPTL) shall be issued equity shares of KPTL in the ratio of 4:1*
- *The combination of KPTL and JMC by way of merger will create one of the largest EPC companies in India, with orderbook (including L1) in excess of Rs.37,000 Crore and project footprint spanning 67 countries*
- *Create an integrated entity with enhanced engineering, automated & mechanized processes, strong risk management framework, better project management tools and enhanced client reach*
- *Significant synergies to enhance shareholder value. Potential to drive further organic growth in core businesses by targeting large size projects, sectoral global expansion and enhanced competitiveness leading to better financial performance*
- *This will be a single listed entity with a strong balance sheet, simplified capital structure and with sector leading credit profile*

Mumbai | Saturday, 19 February 2022 | The Board of Directors of Kalpataru Power Transmission Ltd. (KPTL) and JMC Projects (India) Ltd. (JMC) in their respective meetings held on 19th February 2022 have approved the scheme of amalgamation which inter alia provides for the merger of JMC with KPTL (Scheme). This merger brings together two leading organizations with unique sets of capabilities and complementary businesses in the current attractive EPC markets. The merger will accelerate growth and enhance value creation for all stakeholders.

Pursuant to the Scheme, JMC's shareholders (other than KPTL) will be allotted one share of KPTL against every four shares held by them in JMC.

Strategic Rationale: Complementing Strengths, Enabling Future Growth

Scale and Strategic Diversification:

The combined entity (post-merger) will possess a sectorally diversified portfolio of engineering and heavy construction capabilities, thereby creating one of the largest EPC companies in India with an estimated order book visibility (including L1) in excess of Rs. 37,000 Crore. This entity will be present across all high growth sectors, with significant capital allocation across Government spend in the year(s) to come.

The merger will also enhance KPTL's business portfolio and pre-qualifications by JMC's expertise in civil works business. At the same time, JMC will be able to leverage KPTL's expertise, global business access and financial flexibility, to pursue value-creating opportunities by expanding the current business and bid for large-size infrastructure projects. The merger will drive immense operational synergies and cross learnings, thereby improving competitiveness to increase scale and relevance both in India and international EPC markets.

Enhanced Global Market Presence:

The combined entity will have footprints in over 65 countries across 5 continents. With JMC's proven civil works business capabilities, KPTL's strong global footprint with ability to deliver projects on a global scale will result in significant opportunities for growth in existing and new geographies. KPTL's local presence in Sweden and Brazil will also help to diversify into non-T&D businesses in these geographies.

Best-in-class Management and People Expertise:

The combined entity will benefit from collective management expertise and one of the best-in-class workforces with deep expertise and strong complementary cultures. The collective management expertise, would in turn enhance the overall corporate capability, provide focused strategic leadership and ability to operate a large business structure. As a single organization, the collective workforce will benefit from expanded opportunities for career development and growth.

Financial Benefits:

Post-merger, the combined entity will comprise of several high-growth businesses with leadership positions in T&D, B&F, Water, Railways, Oil & Gas Pipeline and Urban Infra, which provides balanced earnings visibility and a resilient portfolio.

The combined entity will be able to drive a lot of operational synergies and scale effectiveness in areas like procurement, supply chain and technology. Additionally, synergies will be achieved from the increased scale of the new organization, the sharing of best practices and cost reductions.

Further, the combined entity can maintain a strong balance sheet and credit profile, which has the potential to optimise liquidity and reduce cost of financing, leading to better profitability.

The success and scale of the combined business ensures funding capacity and flexibility for simultaneous investment in core business, debt reduction and capital return to shareholders. Our ethos of adopting a prudent approach towards maintaining a strong balance sheet, profitability focus, growth and industry leading credit profile will continue to be a force to reckon with.

Commenting on the merger, **Mr. Mofatraj Munot, Chairman, KPTL** said “Today, we have taken an important step in our efforts and vision to create a leading global EPC company. Over the past decade, at both KPTL and JMC, we have relentlessly focused to develop best in class project execution capabilities, robust systems and processes, strong leadership teams, strengthened balance sheet, diversified business lines and extended our geographical reach. By bringing together these two companies through merger, we are creating a strong platform to accelerate future growth, improve our competitive position and bring significant operational efficiencies. I am confident that the proposed merger of JMC into KPTL will enhance value for shareholders of both the Companies.”

Mr. Manish Mohnot, Managing Director & CEO, KPTL said, “The merger of KPTL and JMC is a significant milestone for all of us, as both the entities come together to drive the next phase of growth and value creation. The combined businesses present a significant opportunity to increase scale and relevance both in India and international EPC market. KPTL has strong domestic and overseas presence with strong balance sheet and financial flexibility, while in high-growth civil business verticals, JMC provides a strong platform which is highly complementary to KPTL’s strengths. KPTL and JMC will leverage each other’s respective capabilities to create value for both our shareholders through a successful combination of our franchises.

KPTL will continue with its efforts to divest non-core investments in order to strengthen its balance sheet. We will drive a vision of being a USD 3 billion revenue organisation by 2025, with strong balance sheet and stable margins.”

Mr. Shailendra Kumar Tripathi, MD and CEO, JMC expressed that the, “Merger of JMC with KPTL is an important step in our growth journey. KPTL brings several unique advantages and the merger will help in realization of combined benefits of the two companies. It will be an exciting journey for the group and has immense potential to create attractive value for our customers, employees and other stakeholders.”

Timing and Approvals

With the appointed date of 1st April, 2022, the merger process is expected to be completed in Q4FY23. The merger is subject to approvals from the Gujarat bench of Hon’ble National Company Law Tribunal, statutory authorities, stock exchanges, shareholders, creditors and such other authorities, as may be required.
