Sr. No.	Queries	Responses
1.	Why did the companies decide to undertake this route rather than the other mechanism available like delisting pursuant to takeover of transferor company by the transferee company?	a) The Board of Directors of the Company and the Transferee Company (collectively referred to as “Companies”) have respectively approved and mutually decided to enter into the proposed Scheme of Amalgamation of the Company with the Transferee Company and their respective shareholders (“Scheme”), to integrate their respective businesses to achieve desired synergies and benefits as elaborated in rationale of the Proposed Scheme. b) A scheme of arrangement under Sections 230 to 232 of the Companies Act, 2013 (“Act”), provides for highest level of transparency and corporate governance, as the same involves the companies to (i) provide notices to all statutory and sectoral regulatory authorities, as well as shareholders and creditors, as maybe required; (ii) obtain approval of: (a) the stock exchanges; (b) SEBI (through stock exchanges); (c) Regional Director; (d) Registrar of Companies; (e) Official Liquidator; (f) shareholders and creditors, as may be required; and (g) National Company Law Tribunal, etc. (iii) publish

Mafatlal vs Mafatlal Industries Ltd on 11 September, 1996, held that <i>"It is the commercial wisdom of the parties to the scheme who have taken an informed decision about the usefulness and propriety of the scheme by supporting it by the requisite majority vote that has to be kept in view by the Court. The Court certainly would not act as a court of appeal and sit in judgment over the informed view of the concerned parties to the compromise as the same would be in the realm of corporate and commercial wisdom of the concerned parties."</i> Accordingly, the companies have a right to choose a particular method to achieve its desired commercial objectives, provided that the shareholders and creditors approve such proposal with requisite majority.</p> <p>d) Accordingly, Board of Directors of the respective Companies have, in their commercial wisdom, decided to enter into a proposed Scheme, pursuant to Sections 230 to 232 of the Act, to achieve the desired benefits as elaborated in the proposed Scheme.</p>

3.	What about the shares pledged by any shareholders of the transferor company? Whether such shareholder shall get benefit of the scheme?	In case of pledged shares by any public shareholder of the Company as on Record Date (<i>as defined in the Scheme</i>), such shareholder will be entitled to receive shares of the Transferee Company pursuant to the Scheme (if such pledge is not invoked), in accordance with the provisions of applicable law. Further, the shares of the Transferee Company issued in lieu of shares of the Company, may be pledged by the shareholder.
4.	What are the safeguards available for dissenting shareholders in terms of exit opportunity? Whether the same is as per the Takeover Regulations?	<p>The Board of Directors of the Companies have approved the Scheme and are of the view that amalgamation is in the interest of both the Companies, their respective shareholders, creditors and all other stakeholders and is not prejudicial to the interests of the concerned shareholders, creditors or the public at large.</p> <p>However, there are following safeguards available for dissenting shareholders in terms of exit opportunity:</p> <ul style="list-style-type: none">a) The proposed Scheme <i>inter alia</i> is subject to necessary shareholders approval, i.e. majority in number representing three-fourth in value, as per Section 230(6) of the Act. The said threshold is stricter than threshold for a special resolution, in terms of the provisions of the Companies Act, 2013.b) Further, as per proviso to Section 230(4) of the Act, shareholders holding not less than ten per cent of the shareholding as per the latest audited financial statement can raise an objection to the Scheme.c) Further, the Scheme is subject to approval of majority of public shareholders of the Transferor Company.d) Also, the dissenting shareholders of the Company can sell their holdings i.e. equity shares held in the Company/ Transferee Company at the prevailing market price and avail exit, since equity shares of both the Companies, are freely traded on the recognised stock exchanges (i.e. BSE Limited and the National Stock Exchange of India

		Limited). The dissenting shareholders may, at any given point of time (before or after effectiveness of the Scheme), can sell their equity shares on BSE Limited and the National Stock Exchange of India Limited.
5.	As per the valuation report, it is noted that DCF method was not taken into consideration. You are requested to provide reasons for the same.	Please find enclosed herewith addendum dated 14 April 2022 (Annexure C) to the joint valuation report dated 19 February 2022, issued by M/s. Ernst & Young Merchant Banking Services LLP and Ms. Drushti R. Desai, independent registered valuers, which provides the rationale for not using DCF Method.
6.	What impact does the scheme has on the minority shareholders of both the companies?	<p>I. <u>Effect of the Scheme on the minority shareholders of the Company is as follows:</u></p> <p>a) In consideration for the amalgamation of the Company with the Transferee Company, the shareholders of the Company, except for the Transferee Company itself, as on the Record Date shall receive equity shares of the Transferee Company;</p> <p>b) Upon the Scheme becoming effective, the Company shall be dissolved without being wound up and the shareholders of the Company shall become shareholders of the Transferee Company; and</p> <p>c) After the effectiveness of the Scheme and subject to receipt of regulatory approvals, the equity shares of the Transferee Company issued as consideration pursuant to the Scheme, shall be listed on BSE Limited and the National Stock Exchange of India Limited.</p> <p>II. <u>Effect of the Scheme on the minority shareholders of the Transferee Company is as follows:</u></p> <p>Pursuant to the amalgamation of the Company with the Transferee Company, the rights and interests of the minority shareholders of the Transferee Company will not be prejudicially affected by the Scheme, and there will be no change in the economic interest of the minority</p>

COPY OF THE STATEMENT AND SPECIAL RESOLUTION PASSED BY THE SHAREHOLDERS OF JMC PROJECTS (INDIA) LIMITED IN THE ANNUAL GENERAL MEETING HELD ON SEPTEMBER 27, 2014.

“RESOLVED THAT pursuant to the provisions of Section 14 and all other applicable provisions of the Companies Act, 2013 read with Companies (Incorporation) Rules, 2014 (including any statutory modifications or re-enactment thereof, for the time being in force), the draft regulations contained in the Articles of Association submitted to this meeting be and are hereby approved and adopted in substitution, and to the entire exclusion, of the regulations contained in the existing Articles of Association of the Company;

RESOLVED FURTHER THAT the Board of Directors of the Company be and is hereby authorised to do all acts and take all such steps as may be necessary, proper or expedient to give effect to this resolution.”

Statement pursuant to section 102 of the companies act 2013

Regulations of the Articles of Association (“**AoA**”) of the Company as presently in force from incorporation of the Company as amended time to time. The existing AoA are based on the Companies Act, 1956 and several regulations in the existing AoA contain references to specific sections of the Companies Act, 1956 and some regulations in the existing AoA are no longer in conformity with the Companies Act 2013.

The Companies Act 2013 (the Act) is now largely in force. On September 12, 2013, the Ministry of Corporate Affairs (“MCA”) had notified 98 Sections for implementation. Subsequently, on March 26, 2014, MCA notified most of the remaining Sections. Substantive sections of the Act which deal with the general working of companies stand notified and are in force.

With the Act coming into force, several regulations of the existing AoA of the Company require alteration or deletions. Further it is desirable to have additional provisions in AoA to meet the requirements of the Companies Act, 2013. Given this position, it is considered expedient to wholly replace the existing AoA by a new set of regulations / articles.

The new AoA to be substituted in place of the existing AoA are based on Table ‘F’ of Schedule I of the Act which sets out the model articles of association for a company limited by shares. Shareholder’s attention is invited to certain salient provisions in the new draft AoA of the Company viz:

- (a) Company’s lien now extends also to bonuses declared from time to time in respect of shares over which lien exists; (b) the nominee of a deceased sole member are recognized as having title to the deceased’s interest in the shares; (c) new provisions regarding application of funds from reserve accounts when amounts in reserve accounts are to be capitalized; (d) provision relating to directors liable to retire by rotation and non-rotational directors; (e) new provisions relating to appointment of chief executive officer and chief financial officer, in addition to manager and company secretary; (f) existing articles have been streamlined and aligned with the Act; (g) the statutory provisions of the Act which permit a company to do some acts “if so authorized by its articles” or provisions which require a company to do acts in a prescribed manner “unless the articles otherwise provide” have been specifically included; and (h) provisions of the existing AoA which are already part of statute in the Act have not been reproduced in the new draft AoA, wherever appropriate, as they would only lead to duplication, their non-inclusion makes the new AoA crisp, concise and clear and aids ease of reading and understanding.

In terms of Section 14 of the Companies Act, 2013, the consent of the Members by way of Special Resolution is required for adoption of new set of Articles of Association of the Company. The proposed new draft AoA is being uploaded on the Company’s website www.jmcprojects.com for perusal by the shareholders. A copy of the proposed set of new Articles of Association of the Company would be available for inspection at the Registered Office of the Company during the office hours on all working days, except Saturdays, between 11.00 a.m. and 1.00 p.m. up to the date of the Annual General Meeting and during the Annual General Meeting.

None of the Directors / Key Managerial Personnel of the Company / their relatives are, in any way, concerned or interested, financially or otherwise, in the Special Resolution set out at Item No. 15 of the Notice.

The Board commends the Special Resolution set out at Item No. 15 of the Notice for approval by the shareholders.

COPY OF EXPLANATORY STATEMENT AND SPECIAL RESOLUTION PASSED BY THE SHAREHOLDERS OF JMC PROJECTS (INDIA) LIMITED AT THE 32nd ANNUAL GENERAL MEETING HELD ON AUGUST 06, 2018.

“RESOLVED THAT pursuant to the provisions of Section 14 and other applicable provisions, if any, of the Companies Act, 2013, including any statutory modification(s) or re-enactment thereof for the time being in force and the Rules framed thereunder, as amended from time to time, the consent of the members of the Company is hereby accorded to alter the Articles of Association of the Company (hereinafter referred to as “AOA”) by substituting Article 70 of the AOA of the Company with the following Article:

Article 70 - Subject to the provisions of the Companies Act, 2013 for the time being in force, at least one of the persons appointed or nominated by Promoter for appointment as Director or Promoter Director(s) shall be liable to retire by rotation. The Board shall have the power to determine the Director(s) whose period of office is or is not liable to determine by retirement by rotation. Unless otherwise assented by Promoter, any one Promoter Director shall act as a Chairperson of the Board.

RESOLVED FURTHER THAT any Director or Key Managerial Personnel of the Company be and is hereby severally authorized to do all such acts, deeds, matters and things as they may in their absolute discretion deem necessary, proper or desirable and to settle any question, difficulty, doubt that may arise in respect of the matter aforesaid and further to do all acts, deeds, matters and things as may be necessary, proper, desirable or expedient to give effect to the above resolution.”

Statement pursuant to Section 102 of the Companies Act, 2013.

Section 152 (6) of the Companies Act, 2013 provides that unless the articles provide for the retirement of all Directors at every Annual General Meeting, not less than two-thirds of the total number of Directors of a Public Company shall be persons whose period of office is liable to determination by retirement of Directors by rotation and save as otherwise expressly provided in the Act, be appointed by the Company in general meeting.

Current Article 70 of the Articles of Association of the Company reads as under:

Persons appointed or nominated by Promoter for appointment as Director or Promoter Directors shall not be liable to retire by rotation. The Board shall have the power to determine the Directors whose period of office is or is not liable to determine by retirement of rotation. Unless otherwise assented by Promoter, any one Promoter Director shall act as a Chairperson of the Board.

In order to make at least one of the persons appointed or nominated by Promoter for appointment as Director or Promoter Director(s), liable to retire by rotation, it is necessary to alter Articles of Association of the Company.

In terms of Section 14 of the Companies Act, 2013, alteration of the Articles of Association can be effective only by passing a Special Resolution. Accordingly, consent of the members is sought for passing a Special resolution as set out at Item No. 6 of the Notice for alteration of Articles of Association of the Company. A copy of proposed set of Articles of Association is available for inspection by the members at the Registered Office and Corporate Office of the Company on all working days during business hours and will also be made available at the meeting.

Mr. Manish Mohnot and Mr. Kamal Jain being the Promoter Directors of the Company are interested at Item No. 6 of the Notice. None of the other Directors or any Key Managerial Personnel of the Company or any of their relatives are concerned or interested, financially or otherwise, in this resolution.

This letter is in response to your email dated April 12, 2022 requesting us to update the Valuation Report as per the format suggested by SEBI (i.e. mentioning the Income Approach in the tabular format).

* We have used the EV/EBITDA multiple method to determine the value of KPTL and JMC. The multiples used for KPTL and JMC would capture the growth of the sector and the future prospects. Further, since KPTL and JMC are listed entities, the information related to future profit and loss accounts, balance sheet and cash flows is price sensitive. Hence, we were not provided with the projections of the Companies by their respective managements. We have, therefore, not used the DCF Method for this valuation exercise. In case of certain subsidiaries where DCF was the only appropriate method of valuation we were provided with the projections and we have carried out valuation based on DCF approach for such businesses.
