3-month extension to staff retiring between April 30 and June 30

Govt annuls GAD order of contract-based reappointment

EXPRESSNEWS SERVICE
AHMEDABAD, MAY 2

A DAY after an order was issued by the Gujarat Administration Department (GAD) to reappoint staff and officials under the health department, the state government in a fresh resolution (GR) said three-month "extension" will be given to all employees retiring between April 30 and June 30 this year.

Cancelling the GAD's order of "contract-based reappointment", the state health department's May 1 GR stated services of all those officials and employees from class I to IV, retiring between April 30 and June 30 this year, including medical, para-

medical and administrative staff, have been extended till July 31, 2021.

The decision, taken considering the shortage of medical and para-medical staff, pertain to all employees under medical education, medical services, public health, family welfare, under various HoDs of health and family welfare department, Gujarat Medical and Education Research Society (GMERS), IKDRC and granted institutes, like Gujarat Cancer and Research Institute (GCRI) and UN Mehta Institute of Cardiology and Research Centre, along with all departments under Health and Family Welfare Department of all districts, taluka panchayat and urban health centres under Urban Development

Department.

"With this GR, the GAD's order issued on April 30, 2021, stands null and void. The contractual reappointment has been replaced with an extension at the existing salary of the employees," V G Vanzara, the additional secretary of state health department, who has issued the GR, said.

The GAD's April 30 order provided for an extension of three months—from May 1 to July 31—to those retiring on April 30, while an extension of two months—from July 31—to those retiring on May 31. Under the new terms, the employees will be eligible for the salary at the time of their retirement till July 31. However, this extension period will not be counted in their pension service.

Fewer people in 18-plus age group get jab on Day 2

EXPRESSNEWS SERVICE
AHMEDABAD, MAY 2

THE NUMBER of people vaccinated Sunday, the second day of the third phase, dropped by more than a half to just 25,712 people in the 10 districts of the state where the drive for vaccinating the 18-44 age group has been rolled out, from 55,235 inoculated a day ago.

In the above 45 years cate-

gory, 32,333 people received their first dose as against 57,495 who were administered for their second dose, as per the state health department's Covid bulletin.

In Ahmedabad city, 7,074 people in the 18-44 age group were vaccinated, a dip from 13,289 reported Saturday across 80 vaccination centres. On Sunday, too, residents complained of glitches in the schedule given to them post registra-

tion. Reduction in vaccination stock only added to the woes. At Maharaja Agrasen School under Thaltej ward, the centre was closed after the vaccine stock was exhausted.

"There were minor technical glitches at a few centres. As people generally rush to vaccination centres in the morning, the stock got over by afternoon," AMC medical officer (Health) Dr Bhavin Solanki said while declining any shortage of vaccines.

Extending a helping hand

A group of autorickshaw drivers, aided by NGO Panah Foundation, are providing ambulance-like services in Ahmedabad by pitching in to help transport Covid-19 patients to hospitals and other facilities. The free-of-cost service runs through an online network of three-wheeler drivers who take calls based on their location. Currently, 14 drivers are actively providing the service. Efforts are on to access oxygen and emergency medicines to extend better services to passengers en route to hospitals. The NGO is also planning to open a temporary Covid care facility to avoid queue and formalities faced at the hospital entries. Text and photos by *Nirmal Harindran*

Morbi gets oxygen refilling plant with 30 MT capacity

EXPRESSNEWS SERVICE
RAJKOT, MAY 2

AN OXYGEN refilling plant, set up by the Morbi Ceramics Association (MCA), became operational Sunday, providing a much-needed boost to the supply of the life-saving gas in Morbi, among the worst Covid-19 affected districts in Saurashtra.

The plant, which has been set up by repurposing a cryogenic tank meant for storing liquefied natural gas (LNG), has come up within a week. It has a capacity to handle 30 metric tonnes (MT) of oxygen every day and meet need of the entire Morbi district.

"Situation is bad in Morbi and Covid-19 patients need oxygen. There is not a single oxygen generation plant in the district and, therefore, patients and hospitals here had to go as far as Kutch and Bhavnagar to get medical oxygen. To overcome this situation, MCA proposed to set up this plant by repurposing an LNG tank installed at Acer Granito, a ceramic factory in Lakhdhipur village near Morbi town. Rajkot MP Mohan

Kundiya assured to get government approvals for this plant at the earliest. Therefore, we installed additional machinery at the cost of around Rs 50 lakh and purchased 1,000 jumbo oxygen cylinders at Rs 15 crore. The plant became operational after Reliance gave us liquid oxygen," Nilesh Jetpariya, president of wall tiles division of MCA, told The Indian Express. Acer Granito is owned by Kundiya.

As part of the project, the Dharmesh Jobanputra, partner of Trinity Engtech, a Rajkot-based private engineering firm, repurposed the LNG storage tank into a liquid oxygen storage tank. They then installed a cryogenic pump and high-pressure vapouriser to convert liquid oxygen into vapour and installed cylinder refilling system. The plant can refill up to 1,000 cylinders of 57 cubic metres capacity each, Jetpariya said.

So far, Morbi district had only one oxygen refilling plant at Rajpar village, and going to places like Kutch and Bhavnagar meant need for more oxygen cylinders. "But these cylinders are in short-

supply. Now, that this new plant has become operational, the need of cylinders would be reduced to half as cylinders can be transported to this plant in smaller batches and can be refilled in much shorter time," Kundiya said. The MP adding Union Railways Minister Piyush Goyal helped get necessary clearances Petroleum and Explosives Safety Organisation (PESO) and the Food and Drug Control Authority of Gujarat.

"Reliance will supply 4 MT liquid oxygen to his plant every day. That would be around one-fourth of 18 MT of liquid oxygen we are getting daily against the requirement of around 20 MT. This plant will cater to dedicated covid heal centres (DCHCs) and Covid care centres (CCCs) which have beds and provide oxygen support," Ketan Joshi, resident additional collector of Morbi, said. Joshi said Morbi districts has 1,034 oxygen beds and 45 ICU beds. Of the oxygen beds, only 42 beds were available while the rest were occupied as of Sunday noon.
